About Us

Jiangsu Keni Home has been providing its retail customers with the finest in bed for over 20 years. Our products incorporate digital printing fabrics, textures, embroideries, and special embellishments, which create distinctive and value added fashion statements. Our production facility in China spans 250,000 square feet, comprising printing and dyeing, blanket, and carpet factories, with a workforce exceeding 400 employees. Excellence in luxury and superior comfort for the home is the heart of KeniHome. We invite you to indulge in the sensual and the exceptional, with products and accessories of unparalleled quality for your bed. We only use the finest yarns, including a selection of products that are environmentally friendly, while altogether providing a touch of elegance for the ultimate experience in home comfort.

Our Design Team

We rely on our unique expertise to create singular designs ready to embellish your daily life durably. Today, our accessories family is expanding with the launch of a new line of home textile products, all designed by Canadian artists
